Chess Board Table

Design Nola

The outlines of a classic chess board feature in the laminate surface of this contemporary table. Chess board is a social table for gaming and relaxation for indoor and outdoor use. The table can stand alone as a solitary game table or be used for food & beverage applications. It is also a popular choice for libraries, schools, leisure centres and assisted living centres.

Length: 72 cm
Width: 72 cm
Height: 70 cm
Weight 24 kg

Individual dimensions

Flat steel: 10 x 60 mm.
Pipe: Ø 50 mm.
Foot in flat steel: 12 x 60 mm.

Product numbers and combinations

U11-05SCH Schackbord
U11-08 Fastsättningsbeslag för sats om 4 st.

Append to product number

METAL SURFACE FINISH

C for stand in any color other than standard, starting cost is added.

INSTALLATION TYPE

N for surface mount.

Standard colours

■ RAL 9005

Materials and surface treatments

Steel

Nola uses high-quality steel with good strength in our products. Steel rusts if left untreated and must therefore be surface treated.

Powder coating

Powder coating is a coating that is applied as a free-flowing, dry powder. Unlike conventional liquid paint, powder coating is usually applied electrostatically and then cured under heat or with ultraviolet light. The result is an even, hard-wearing coloured surface with the desired gloss level.

Electrogalvanized

Electrogalvanizing (also known as zinc plating) provides corrosion protection through the sacrifice of zinc ions. It is created via a zinc coating on the steel using an electric current.

Compact laminate

Compact laminate is a sheet material made of kraft paper and phenolic resins, pressed together under heat and extreme pressure. The material is completely water resistant.

Assembly and placement**Freestanding**

Freestanding product that is placed directly on the ground.

Surface mount

Can be bolted above ground, to the floor or to a cast-in-place foundation. Bolts not included.

Maintenance**Powdercoated steel**

Products that are powder-coated can be touch-up painted with alkyd paint.

Compact laminate

Compact laminate is very a strong and heavy material. It does not normally require maintenance.
